JUNE 24 THRU JUNE 30 2020

TIP OF THE WEEK

Spring Crime Prevention Tips

Spring often means an increase in criminal activity. The following tips can help keep you and your home safe.

Roll up your car windows, take any valuables out of your car, and lock your doors every time you exit your vehicle, even if your vehicle is parked in your driveway.

Lock your home at all times. If you are working in the back yard, lock your front door and close and lock your garage door.

Lock the back door when you are in the front yard. Always lock your doors when you leave, even if you only plan to be gone for a few minutes.

Close and lock your home windows and sliding doors when you go to bed or leave the house.

Install motion-activated lights in your front and back yards so when someone approaches your home, the lights automatically come on, illuminating that person.

Store all ladders and other tools into a secure storage area after use. Ladders and other tools can be used by criminals to access your home. Always lock storage units or sheds on your property.

Be aware of home improvement scams. If you did not solicit a contractor or salesman who shows up at your door unannounced, do not do business with that person.

If a utility representative comes to your house, request identification. True representatives will carry identification and they will show it to you. Call their company for verification.

Be a watchful, attentive neighbor to spot criminals and alert police to their presence.

Get involved in your community to help keep your spring happy and safe.
